No reporter was present and it remained an informal meeting.

STAT

2. [] spoke from his prepared notes and questions were raised continuously so that no briefing occurred concerning Panama. Mr. Selden thanked us at the conclusion of the hour and a half session adding that he hoped he would be able to call on us in the future for this type of session. I assured him we would do what we could to help. Mr. Selden advised Boyd Crawford, the Staff Director, after the meeting that he thought this was a most excellent briefing and he planned to have more of them in the future.
